Professor Marcello Truzzi

Greetings:

October 8, 1973 the St Petersburg Times newspaper had a colorful picture in it that was taken at St Leo College and the picture was accompanied by the following information- "It's unusual to find anything that is not under the jurisdiction of a government, or an office, or an agency- let alone a bridge. This bridge ties a women's residence area to the main campus at Saint Leo College in San Antonio. A fraternity there, understandably concerned about the state of repair of the bridge, discovered recently that no one claims authority over the little span- so they claimed it themselves. They plan to repair and paint it, and to clear weeds from the stream beneath."

HOW INTERESTING FOR A FRATERNITY TO HAVE A BRIDGE THAT THEY CAN CALL THEIR VERY OWN.

Well THE BELLIGERENT RABBIT SOCIETY is very interested in bridges and the stories that accompany them, wheather it is the bridge at St Leo College that some might consider to join YIN & YANG, the DYKE BRIDGE, the LOG OF LERMA BRIDGE which is a primeval type bridge that some people are pictured as having a hell of a time crossing, the BRIDGE OF SOULS (Brig of dread) about which people are said to have the same trouble in crossing, or et cetera.

Now SAINT CHRISTOPHER was said to have "piously devoted himself to carrying pilgrims across a river". Some say he did it the old fashioned way & to some he is considered a "WATERMAN". Of course there were later guild or corporations of craftsmen and boatmen, under the names of Linuncularii, Lintrarii & Utricularii; however St Christopher became quite symbolically important with certain so called "Bridge Builders" who in France are said to have been called the Freres Pontifes and in Germany the Bruckenbruder (Brethern of the Bridge). Well in the latin of the times PONTIFES was said to be the name given to the "FRATERNITY OF BRIDGE BUILDERS" whose history is closely connected with MASONRY in the middle ages. The LATIN word PONTIFEX, with its equivalent English PONTIFF, literally signifies "THE BUILDER OF A BRIDGE" from PONS a bridge and facere to make, but this sense, which it must have originally possessed, it seems very speedily to have lost, and we, as well as the Romans, recognize pontifex or pontiff as significient of a sacerdotal character. "Of all the colleges of priests in ancient Rome, the most illustrious was that of the Pontiffs", and when the catholc church established its seat at the city of Rome its Bishop was designated as the PONTIFEX MAXIMUS as one of his titles, and PONTIFF and POPE are now considered equivalent terms.

Of course some have the theory that PONTIFICES were so called because they superintended the sacrifices on a bridge, alluding to the ARGEAN SACRIFICES on the SUBLICAN BRIDGE, for it is said that such RITES took place on the PONS SUBLICUS a bridge over the Tiber during the IDES OF MAY.

I have no doubt that the BRIDGE RITE would have been a very poorly attended RITE indeed if one or more VESTALS of the so called VIRGIN type had not taken part in it.

Now the BRETHERNOF THE BRIDGE information is pretty much told the way the story is told in masonry, you see, "BRIDGE is a most significant symbol in Scottish Rite Masonry" and BRIDGE is symbolically associated in some way or other with other secret societies associated with masonry, for example, if you look you might even find that EASTERN STAR BROADS even "tend a bridge" of "rain bow significance" in some of their rites.

Well there is a DYKE BRIDGE STORY that has to some extent, something to do with a girl called MARILYN, who might in some ways be compared to those girls of VESTAL VIRGIN OCCUPATION. For anyone to even partially understand the story, it will be necessary them to have information that might first appear to be unconnected, so if the information in this letter appears to digress from a Dyke Bridge Story, remember I maintain that the information is as closely connected as information about the hemoglobin of the blood & atmospheric pressure would be in a discussion on human breathing, or for that matter as closely connected as breathing is to a POLYGRAPHY TEST ("lie detector test"). So if the information appears to the reader- digressive, and he or her feels that the story goes all around ROBIN HOODS BARN, just remember that I maintain that if you are "CASING" Robin Hoods Barn it might be well to have information on Robin Goodfellow as well as on the morals of MAID MARIAN, forest maidents, wood nymphs, and the quean of elfhane.

Now MARIAN & MARILYN are said to be forms of MARY and in the magic and mystery of words in MASONIC SORCERY, such word construction has importance. (WORD WIZARDRY of course includes MYSTICAL TOPONOMY in the magic & mysticism)

MASONRY appears to people in the cloak of the christian faith, which has an does conceal pagan symbolism of vile & evil fertility religions. Why masonic history is interwoven with stories of hideous mysteries of lust and ritual murder which seem to run the gamut of sorcery rites. And time and time again in masonry there are references to Egyptian Mysteries, which include the death & resurrection of OSIRIS. For example in THE NEW AGE MAGAZINE "The Official ORGAN of The Supreme Council 33° ancient & accepted scottish rite of freemasonry southern jurisdiction United States of America Founded May 31, 1801 Charleston, South Carolina with an address now at 1733 sixteenth Street N. W. Washington D. C --there appeared in the January 1968 issue an article entitled THE LEGEND OF OSIRIS. In the article this is stated- "The inward resemblance of this Legend of Osiris to our own Legend of Hiram Abiff can now easily be seen. The same dramatic details and the same elements of symbolism and allegory can be trace in both Legends." Well in masonry Hiram Abif was the so called architect o f King Solomon's Temple was said to have been killed by THREE ASSASSINS who masons call ASSASSINS OF THE THIRD DEGREE. The Third Degree is called the MASTER MASON and in the Rites of Masonry no matter how variant, assassination is a symbol, associated with a fertility rite.

Well SEX MAGIC in masonry can be traced to the symbolical right angled triangle which was said to ba symbol of universal nature among the Egyptians; "the base representing Osiris, or the male principle; the perpendicular, Isis, or the female principle, and the hypotenuse, Horus, their son, or the product of the male and female principle".

"This symbol was received by Pythagora from the Egyptians during his long sojourn in that country, and with it he also learned the peculiar property it possessed, namely, that the sum of the squares of the two shorter sides is equal to the square of the longest side- symbolically expressed by the formula, that the product of Osiris and Isis is Horus. This figure has been adopted in the Third Degree of Masonry, and will be there recognized as the forty-seventh problem of Euclid".

"EUCLID has always been associated with the history of Freemasonry, and in the reign of Potelemy Soter, the Order, is said to have greatly flourished in Egypt, under his auspices."

Now the TRIANGLE FAMILY OF EGYPTIAN GODS, along with their relatives, went in for perversion and incest. Osiris wed his sister Isis, a homo-sexualattack was made on Horus the child by his brother Seth or was it his uncle Seth (Set). Why Osiris was even said to be the offspring of an intrigue between the earth god GEB and the skygoddess NUT. When Ra the sun god caught his wife Nut when she got pregnant, he is said to have pronounced a curse on her and declared that she should be delivered of child in no month and no year. But Isis is said to have had another "lover" called Thoth, and he is said to have played a game with the MOON and to hav won from the moon a seventy second part of each day and having thus won in all some five whole days, he is said to have added them to the Egyptian year of 360 days, which was regarded as outside their year of 12 months- (epagomenal) and the curse of Ra was not supposed to rest on those days and accordingly Osiris was said to have been born on the first of them, the elder Horus (uncle Horus) on the second, on the third Set (uncle set), on the fourth Isis and on the fifth Nephthys. Set is of course said to have wed his his Nephthys."

Well anyway when days were added to the Egyptian calendar year through the infidelity of that Egyptian Goddess Nut, it can truly be said that they were making time with that NUT and when a seventy second part of each day were added together to protect her pregnany;

which was a result of her infidelity, then it prompts me to call those seventy second parts of each day:OBSCENE FRACTIONS. Now when a right angled triangle of SEX MAGIC SIGNIFICANCE becomes a key to a mathematical formula!giving the science of mathematics,-sexual significance and this is found in masonry and sex magic is found to be a part of MASONIC SORCERY, then it prompts me to call out that something is going on around here that out to be looked into.

Well now the girl called MARILYN MONROE a SEX SYMBOL was a "pin up girl" of sex magic significance for THE THREE SISTER WITCH CRAFT RING in the land of the dirty greaser.

Now in the book MARILYN a "biograph" by NORMAN MAILER the poor girl is called a WITCH and you can find the following description of her also- "A fountain of charm and a dreary bore; an ambulating cyclone of beauty when dressed to show, a dank hunched up drab on her wors- with a bad smell!- a giant and an emotional pygamy; a lover of life and a cowardly hyena of death who drenched herself in chemical stupors; a sexual oven whose fire may rarely have been lit- she would go to bed with her brassiere on- she was certainly more and less tan the silver witch of us all".

This description of MARILYN,in striking imagery,is one might say, an image of a WITCH as pictured in the minds of many people; however many people hve called the poor girl a BITCH.

Well in the land of the dirty greaser, the word BRUJA is used for either a BITCH or a WITCH, although the word bruja is said to mean witch.

WITCHES are to be found all over the land of the dirty greasers and the 3 Gonzales Sisters were an are Bruja who occupy a symbolical sorcery position for the whole evil country. They are said to have operated the largest white slave ring on the North American Continent. The 3 sister witch craft ring had headquarters in Guanajuato (hill of the toads) Lagos de Moreno (lake of black) & San Francisco del Rincon (St Francis angle) the english is of course a free translation which has to do with the real sorcery significance of those places. Well Guanajuato is situated on 3 barranca (ravines) that collectively are called the 3 SISTERS. If you draw a line from city to city you will find that a RIGHT ANGLED TRIANGLE is made with the position of those cities and this is of course the right angled triangle of SEX & SORCERY significance. Well the 21° lineof the TRIANGULO OESTE (western triangle) passes the TRIANGULOS (triangle) ISLANDS and forms the base of the Guanajuato, Lagos de Moreno & San Francisco del Rincon, triangle. The line then passes by MAGDALEN & TEQUILA and goes to the ISLAS TRES MARIAS (Islands of the 3 Marys) where there is a picture of THE LOG OF LERMA BRIDGE which is symbolical in the sorcery of dirty greasers; just as the 3 SISTER MOUNTAIN (tres hermanas) mountain at Columbus, New Mexico is. It is to this area that 3 BRUJA dresses as NUNS an accompanied by a dirty greaser BRUJO have paid symbolical visits for many years.

A BRUJO (wizard) called Enrique Esquinaldo and his non-genetic duplicate called Enrique Esquinaldo made personal contact with Marilyn Monroe, for sorcery purposes, a long time ago. The Enrique Esquinaldos play DUALISTIC PARTS and apparently disagree in representing two antagonistic principles. Such a doctrine as represented by them pervaded oriental religions and is in the JEW RELIGION as the YETZER HA TOV & YETZER HA RA which are said to represent mans inclination to do right & THE INCLINATION TO DO WRONG. "However, the significance of the so called evil inclination was, recognized; without it, the rabbis say, there would be no passion, no marrying, no ambition, no building of cities, no civilization. Intrinsically the Yetzer ha Ra is not necessarily bad. The manner in which a man responds to it determines its ethical value." The WELSH espress such a sentiment by say "Y ddraig goch a ddyry gychwyn" which is said to mean- THE RED DRAGON INITIATES MOTION OR GETS THINGS GOING.

Any way, one of the two WIZARDS (brujo) that were called Enrique Esquinaldo whose nick names were said to be QUI QUE, worked with the 3 SISTER WITCH RING at times; however it is possible that they both did for I strongly suspect that they would exchange the parts they played. Now two "TWIN" WIZARDS, whose boast was that they can take a woman out of her house against here will, have for many years been part of sorcery symbolism at TEPOZTLAN. In Tepoztlan in a "catholic church" that is in an old monestery where thousands of bats roost, marriages to the so called "OBSCENE CHRIST" of witch craft symbolism, have been taking place for many years.

The BATS in the old Monastery at Tepoztlan are symbolically associated with the BAT GOD or BAT MAN called CAMAZOTZ. The Bat God was said to have come down from heaven on a string or thread at the time when 3 STARS called the 3 SISTERS were said to be in the sky which is said to be at the time "CHRIST" was born. Bat ceremonies that some say are called the QUAJXAUIP & BAUJXAQUIP are held in the dirty greaser sorcerycircles. The ceremonies are also said to be called the 8 THREAD & 8 MONKEY and they might be said to have something are other to do with putting a monkey on some ones back. Well any way the Bat God is thought of as a DEAMON KING and the HALL OF THE BATMAN is supposed to have 'PSYCHIC CONECTIONS' with BAT HOUSES. There are said to be three openings to the HALL OF THE BATMAN and one of them is a place called THE HILL OF THE COFFIN (coffer) which is a little north of San Juan del Rio. It is there that dirty greaser are known to go to "SELL THEIR SOULS" (Incidently for sometime I wondered how any selfrespecting DEAMON would want a greaser soul and then it occured to me that they might have a taste for SOUL FOOD and nice souls, if they could every find one, might be off limit.

As a matter of dirty greaser souls, an article appeared in the St Petersbur Times Newspaper on October 11, 1973 that stated the following- "A widespread Mexican illness whose suffers believe their souls have been stolen or lost may actually be a unique method of coping with social stress, an American anthropologist speak here (Mexico City) said". (The "widespread" soul loss "illness" is said to be called "SUSTO (FRIGHT).

"SOUL STEALING" is found in many old stories about sorcery it implies to "complete domination of the will of another". In July 1968 a so called Professor Aldo Braibanti was said to have been sentenced to 9 years in prison for soul-stealing. It is said that Article 603 of the Italian Penal Code is said to deal with soul-stealing. The BRAIN WASHING & BIO TELEMETERY that is going on in this country could of course be called soul-stealing if that term implies"complete domination of the will of another". In this country people who have been given the "BRAIN WASHING", BIO TELEMETRY & et cetera treatment are some times called sleepers and it was even said that Lee Harvey Oswald was a sleeper and can be trace by the way of MEDICINE MEN and MEN OF MEDICINE to foul & evil goverments in the world today. Now the fact is, if the medicine men (sorcery crowd) get a sleeper through their ancient methods, the men of medicine in the sleeper business will some times try and suceed in taking the sleeper-- from them and vice versa. The fact is, it is hard to tell now days, who is doing who and how, or whose sleeper is whose. But anyway it appears to me that the old time possession workers, who are sometimes called by such quaint old names, as Deamons, Fiends, Dibbuks, Devils & et cetera are stageing a comeback in the minds of people through out the world today, and SOUL PICK UP TIME has started in the minds of certain people.

You see in the land of the dirty greaser HAY TUFO DE SANGRE is said to occur at certain times. Now, hay tufo sangre de sangre, can be translated as BLOOD ON THE AIR and at such a time the HORRIBLE TRIO called the THREE SISTERS and by such names as LA MOHINA, EL ESPANTO, & EL DANO, are said to be stalking the land. EL ESPANTO MEANS THE FRIGHT and you might well take the time to look up the meanings of the others. Now at the time that the HORRIBLE TRIO are on the prowl; LA VIOLENCIA (violence) occurs along with "SOUL SICKNESS".

Well any waythe BAT GOD HALL with its BAT HOUSE CONNECTIONS and entrances to said HALL where people go to see their souls, and where the dirty greaser Pancho Villa is said to have gone for such a purpose is quite important in the sorcery of dirty greasers. They believe that after a certain type of ceremonia visit, they will be a president, governor, general, sucessful gambler, rich pimp, VICE PRESIDENT or et cetera. (Incidently the dirty greaser Pancho Villa is said to have venerated THE HILL OF THE COFFIN; but in the end is said to have lost his head. It is of course known throughout the land of the dirty greaser that THE BAT MAN cuts off heads, and some say it is done with his "FLINT NOSE"for he is considered a real HARD NOSE.

Now in El Paso, Texas- Jay (Batman) Hall Shrine Motor Patrol canidate for the Shrine Ring was awarded the ring in competition with Harold McBee, Odessa, Texas. It is said in masonry that "the ring, as a symbol of the covenant of marriage, is worn in some of the high degrees of masonry". Well the following year Stanley William Rosen was said to be RING CANDIDATE and ROSEN was shown in a picture dressed in WOMEN CLOTHES and Jay Hall as one of his "advisers" was shown kneeling a little to one side but in front of Rosen. Now with the wearing of clothes of the opposite sex of such ANDROGYNOUS importance in sex magic and with the transvestism beings associated with bi-sexual acts and the ANDROGYN and with the androgyn in sorcery said to watch over the beginning and end of every process concerned with magic and initiation and with Jay (Batman) Hall operating THE PRESIDENTS health club in the basement of an office building in El Paso, Texas at the time he received the RING and with a big masonic meeting being held in Carlsbad Cavern with the operators permission if not the BATS and with MAGNETIC MASONRY being practiced at times by all of the masons and all of the time by some of the masons, it is possible that some superstitious person might connect magnetic masonry with animism an animism with sorcery and sorcery with sex magic.

Now what with a SYMBOLICAL JOURNEY OF DEATH that some call the JORNADA DEL MUERTO or THE LONG JOURNEY (peregrination) of the ALCHEMISTS; starting at THE PASS (El Paso) and of course going into THE LAND OF ENCHANTMENT (New Mexico) and passing by TRUTH or Consequences to the "TRINITY SITE" where the Worlds first atomic bomb is said to have been exploded July 16, 1945—it is possible that some superstitious person might connect such trivia with MYSTICAL TOPONOMY & SEX MAGIC. Why such a superstitious person might find out that the alchemists CONJUCTION OF OPPOSITES was symbolize by the union of the male and female principles an consequntly was illusted by the ANDROGYNE which united the masculine and feminine principles within itself. According to the alchemists the conjuction of opposites was only possible on one condition: that which was hidden should become manifest. Now according to alchemists in there TRUTH and/or CONSEQUENCE symbolism THE KILLING OF THE KING took place. The KING is said to be primordial matter.

You should be able to see from just this tiney pattern that such a superstitious person as mentioned might really come up with some EXPLOSIVE INFORMATION.

OH WELL! in SEX MAGIC the DEBAUCHERY OF THE INNOCENT is one of the basic fundamentals and debauchers on both sides of the border made every effort to debauch MARILYN MONROE ("little goody two shoes"). You see there is in the united states a SECRET SOCIETY that practices sex magic which can be compared to THE FRIARS OF ST FRANCIS (Hell Fire Club). They are every bit as evil as the dirty greasers who practice their brand of sex magic. One might say that both are in the same bussiness and they have been producing what some people call "SLEEPERS". It is quite natural for both to contest for possession of an important symbol person, just as they will contest over an important symbol position; however at times they do seeming cooperate, just as the United States & Russia are seemingly cooperating in the hatching of the Nixon PEACE EGG. Now when those evil men & women are contesting over an important SYMBOL PERSON, such a person might be compared to the sparrow that had the part of a BIRD in a BADMINTON GAME. Why even a SLEEPER of long standing will domination, might have SLEEPLESS nights an days. Why when those MEDICINE MEN, MEN OF MEDICINE, THEIR BROADS and other co workers have made their DEBAUCHERY ATTACKS, with their "PERSONAL MAGNETISM" & DRUGS et cetera not even a good doctor with excellent scientifc training could be of much help to the SLEEPLESS "SLEEPER".

Now in the world today, there is a conglomerate of superstitions, religions and sciences; among which is the so called "SCIENCE OF MASONRY", which for ages has been associated with sorcery. Of course it appears to some that superstitions, religions and sciences make queer bed fellows; but it is certainly true that superstitions are found in religions, and some religions are even called a science, whats more sciences are found in religions. Why perhaps you can remember how mathematicl science was found in the EGYPTIAN RELIGIONS and then was found in "THE SCIENCE OF MASONRY" Well of course the so called OCCULT HAPPENINGS that are now being called-extra sensory preception, pre-cognition & psychokenesis or now part of the so called realm of science and are now of course called "PSYCHIC SCIENCES". Wheather these "OCCULT HAPPENINGS" are part of an occult invasion of the "realm of science" or just play-things of "scientists", maybe revealed later. At any event when it was said that not even a SOUL is safe from science, the person who said it was not WOOFING. For when drugs of modern science, such as psychodelic drugs, narcotic drugs, aprhodisiac drugs & et cetera are given to people to debauch them, when psychosurgeryis performed & psychotogenic drugs are given to a person to debauch that man or woman or to keep him are her from revealing certain facts and when bio-telemetery implants are made to produce "SLEEPERS" and create human servo-mechanism.

then THE ESSENTIAL GOODNESS OF THE SOUL OF MANKIND IS QUESTIONABLE.

Now with superstition & science having a common meeting ground in MASONIC SORCERY RELIGIONS and with MASONIC SORCERERS waging a battle for mens minds,(the term implies the complete domination of the will of others) is it any wonder that a superstitious person might believe that Deamons, Fiends, Dibbuks, Devils & et cetera are now very very industriously engaged in their profession and it is now- SOUL PICK UP TIME.

At any event, for ages MASONRY has had a part in SECRET SOCIETIES that practiced sorcery as well as used the "sciences" of the times. Such secret societies have been called CLANDESTINEand "with clandestine lodges or masons, regular masons- are forbidden to associate or converse on Masonic subjects", hwever in practically all of these secret societies, MASONIC SYMBOLISM is found, along with one or more "regular mason"; why Albert Pike who was the Sov. G. Commander of the Southern Supreme Council, A. A. Scottish Rite, is historically said to have been a member of a witch society. All of the secret societies that have their roots in masonry,wheatheritwas the Illuminati, Order of the Golden Dawn, The Friars of St Francis (the Hell fire club) Egyptian Masonry (masonry of Cagliostro) Mesmeric Masonry or the Ku Klux Klan, etc, were envolved or are envolved with sex magic. Now just as sex magic was & is part of such societies so are other socery teachings. RITUAL ASSASSINATION has always had a place in masonry and the ASSASSINS (Freemasons of the East) who some call Ishamaelites had such sex & assassination rites. The ASSASSINS were of course a secret society that had a secret esoteric doctrine, and the Assassins are historically associated with the Knight Templers. The Knight Templers with their secret esoteric doctrine were given to sexual perversions found in ancient feritlity religions such as TANTRISM. It is said that there is hardly any occult procedure that is not delt with in Tantrism. "The Tantrics regard themelves as the elect, and all those outside the sect as pashu, or the animal heard". Well masons regard themselves as the elect and all those outside the "brotherhood" are regard as PROFANE. The Knight Templers sexual perversions that resulted in sexual attacks might have resulted in more of them being killed than were, if so many of them did not wear a COAT OF MAIL. A coat of mail was armour worn on the uppper part of the body, and consisted of a net work of iron rings, that were no doubt often made by a MAILER of the DONAT TYPE. The Donats were a class of men that are historically attached to the KNIGHTS OF MALTA and the Knights of Malta have a historical attachment to the catholic church but then so did the Knight templers and you can even find that a Knights of Malta degree was incorporated in the Knights Templar degrees. The degree was said to have been repudiated in 1856 and the repudiation reversed in 1862.

Oh well NORMAN MAILER in the MARILYN "biography" had some paragraphs in which the thoughts go around and around like the RINGS of a COAT OF MAIL and such circumlocution,if the word can be applied to writing, appears to me to be protecting somethings, and yet when certain information in the "biography" is properly associated with other information, masonic sorcery patterns appear. Now take a look at some Mailer information and some special information that can be associated with it in a pattern of sorcery that has to do with the magic and mystery of words.

"Now in a couple of months they will get divorced. Carefully, she picks the day of Jack Kennedy's inauguration, January 20, 1961, and flies to Juarez. The date has been selected by Pat Newcomb, her new publicity woman and new intimate. Happily, Marily will receive less Publicity on this day than any other."

"But then she will hardly want to make headlines about the shattering of the Hourglass and the Egghead. Quietly, she sits in a cocktail lounge at the airport in Dallas for a two-hour layover on the way to Juarez and carefully follows on television the first of Jack Kennedy's thousand days. Pale witch of the lonely American wind, there in Dallas she watches. In Dallas! Where Else? The most electric of the nations must naturally provide the boldest circuits of coincidence. Indee, if occult histories of the future wish to look for karma that leads from Napoleon to Monroe, let us recognize that she will die in a house on Fifth Helena Drive.""

So SEX SYMBOL Marilyn Monroe who has been called a WITCH by some and a BITCH by others is at LOVE FIELD on the first of President Kennedy's thousand days. Latter it is revealed that SYLVIA ODIO who lived on West Lovers Lane, thought that Lee Harvey Oswald was one of the three men that visited her house when she formerly lived on Magellan Circle. "Miss Odio stated her father, AMADOR ODIO PADRON, was active in the Cuban underground assisting CASTRO in the revolution against Batista".

SILVIA is said to mean FOREST MAIDEN, and Silvia is the name given to "the beautiful witch of the wild wood" In germany the forest maidens and/or forest nymphs are said to be called HAGEDISSES by some and the hagedisses in folk lore are near akin to the VALKYRIES. In mythology the Valkyries of course carried the brave or worthy dead to Valhalla (Walhalla). Now it is said that in some parts of Germany the word for SORCERERS is Valriderske, which is a name for the Valkyries. Now in german folklore the Valkyries participated in the carousal at the BROCKEN RENDEZVOUS with the witch and their "GRAND MASTERS". The Brocken is of course mentioned in Goethe's FAUST. Near the BROCKEN is Hexentanzplatz that is discriptive of occult symbolism as the word HEXE signifies a WITCH. The word HEXE is said to occur under a double for the witch meaning is said to be hagedisse or hagetisse in "low german" and as hagezisse or hagezussa "in high german". The boundry line between high and low german is said by some to pass through the BROCKEN. The BROCKEN incidently is said to be the MONS BRUCTERUS MELIBOCUS of the ancient Romans.

ODIO means HATRED. Now--Miss Odio stated her father AMADOR ODIO PADRON, was active in the Cuban underground, assisting CASTRO as stated before. AMADOR means LOVER and PADRON could be translated into english as BOSS. CASTRO means to CASTRATE. The castrate has long had a symbol position in Sorcery and/of fertility religions; ATTIS as you know who is said to have had some PIG TROUBLE in that a BOAR is said to have eaten his you know what, was said to have died because of his loss and subsequently was top man in the underworld. Now if you haven't already thought of it, I will remind you that FIDEL CASTRO the faithful castrate had some trouble at the so called BAY OF PIGS. Of course some say that Attis killed himself. Well anyway Attis was said to be son of CYBELE a fertility goddess and the priests of Cybele and/or the GALLI or CASTROS went in for a RITE OF CASTRATION. They wore womens clothes and the type of sex they went in for damn near put the VESTAL VIRGINS out of business. Well in the "OLD SHOW" that contained much sombolism of the "OLD RELIGION" (La Vecchia) the CASTRO was quite often the VILLIAN, he was the "NO MAN" with a DAGGER OF LATH & GRAPES OF WRATH; but they are said to have Idolized the Castro.

Well a thousand days after "the pale witch" arrived at LOVE FIELD and then went on to the land of the dirty greasers, the "Queen of love & beauty", MRS KENNEDY arrive at LOVE FIELD and of course it was the day of the ASSASSINATION of PRESIDENT KENNEDY.

Of course when SEX SYMBOL Marilyn Monroe arrived in the land of the dirty greasers on January 20, 1961 it gave dirty greasers that might be described as PSYCHIC VAMPIERS the opportunity to make personal contact with her on what might be called their own RUTTING GROUND, for Jaurez has a loathsome, evil ZONA DE TOLERANCIA that has great importance in the sorcery of the dirty greasers for from such places that think they draw sex magic animistic strength.

Now you can find in the MARILYN "biography" by Norman Mailer where she engaged in sex perversion, however this terminology is not used- by Mailer. You can also find in the Mailer "biography" that ELIZABETH TAYLOR is said to have called Marilyn a DYKE. So Marilyn a SEX SYMBOL is said to have performed BISEXUAL ACTS. Wheather she did or not is something else again but it is true that such sex acts are part of SORCERY.

Now in the MARILYN "biography" by Norman Mailer you can find this- "An assuption has to arise that Mrs, Murry discovered the death in other fashion. Since Marilyn was found in the nude and yet without a brassiere, it is also not impossible she was in bed with a lover when she died, a most unhappy though. Equally, she could have gone into some final coma while trying to get dressed by others on the assumption it would look more natural. Nor are one's questions reduced by the fact that, Mrs. Murray will go on a six months tour in Europe in the next few days, and Pat Newcomb who is naturally hysterical in the aftermath, will be flown to Hyannisport. Then the FBI- we are face to face once again with a story whose author does not choose to give his name- is reported to go into the Santa Monica phone company's office in the next day and remove the paper tape that lists Marilyn's toll calls for the night. Perhaps that is why for many years a rumor will have Mailyn dialing the White House on her last night. Brood long enough on the terror of such an end in vertigo and frustration, and one can believe she left with a curse and lives near us still-First Lady of American Ghosts. Why then not also see her in these end-lessly facil connections of the occult as giving a WITCH"S TURN TO THE WHEEL AT CHAPPAQUIDDICK?"

Now was the poor little girl who was said to be a SEX SYMBOL and would be called BRUJA in the land of the dirty greaser, a WITCHE'S DYKE!, and are there Chappaquiddick occult connection? "Indeed if occult histories of the future wish to look for karma that leads from Napoleon to Monroe" can they be found?

Well now in regard to such OCCULT CONNECTIONS you might wonder about the fact that MASONIC SORCERY is practiced in the land of the dirty greasers, and that it is a combination of sorcery from other parts of the world and that of the STINKING INDIANS. It is known of course that much of the masonic sorcery in the land of the dirty greasers is ANDROGYNOUS and includes witchcraft "adoptions" that can be campared to masonic adoptions as told about in the Histoire Pittoresque de la Franc Maconnerie and since "the adoptive rite of France is Androgynous Masonry". And since "king" Joachim Murat the TITULAR king of Naples and one of Napoleon"s generals was WARDEN in the GRAND ORIENT OF FRANCE, in 1803 and since "his son" "prince"Joachim Murat was appointed Grand Master of the Grand Orient of France, and initiated February 26, 1825 and since "the word prince is not attached as a title to any masonic office" but is prefixed as a part of the name to several degrees, as PRINCE OF THE ROYAL SECRET, PRINCE OF ROSE CROIX, and PRINCE OF JERUSALEM and since the word king is TITUALR to the second officer in some royal arch chapters. Where "he is the representative of ZERUBBABEL, "prince" or "governor" of Judah and since France under Napoleon was said to control Mexico, it is not unlikely that some of the masonc mysticism was brought to Mexico by the French. Why a MURAT was said to have lived in St Augustine, Florida and was called a "prince". Now Stephen Morin- "the founder of the Scottish Rite in America. On the 27th of August, 1761, the Deputies General of the Royal Art, Grand Wardens, and officers of the Grand Sovereign Lodge of St. John of Jerusalem established at Paris (so reads the document itself) granted a Patent to Stephen Morin, by which he was empowered "to multiply the sublime degrees of High Perfection and to create Inspectors in all places where the sublime degrees are not established." Not long after MORIN received "these powers" he went to SAN DOMINGO. San Domingowas the headquarter of Morin when he establised the Scottish Rite in America. Well masonry in the Dominican Republic has for its center the National Grand Orient. "Most of the Grand Lodges established by the Latin races, such as those of France, Spain, Italy, and the South American States, are called Grand Orients". Well "the Grand Orient of France exercises jurisdiction not only over the seven degrees of its own Rite, but also over the thirty three of the Ancient and Accepted, and over all the other Rites which are practiced in France".

It is of course known that the DOMINICAN REPUBLIC is riddled with sorcery and much of it has masonic symbolism, while HATTI the sister republic of the Dominican Republic is also riddled with sorcery and much of it has catholic symbolism. However I guess that if a person took the time they might race some of the symbolism to HATTI SHERIF an order which was said to come for a Turkish Sultan, and the Melewi a secret organization, with masonic symbolism. Any way in turkey at Constantinople that were a number of masonic lodges under the Grand Orient of France. It is of course known that the entire island that is now known for the two republics of Hatti and the Dominican was once controlled by France and of course it was from that neck of the woods that Napoleon got the negro french bitch called Josephine, from. Now it is of course said that masonry was introduced in Mexico by civil and military officers of Spain. Well in 1793 a decree was issued in Spain agains the masons and lodge meetings were said to be held with great caution & secrecy. But on the accession of Joesph Napoleon to the throne in 1807, the decree was reversed which characterized the Napoleonic dynasty, pro masonic attitude.

So now with the THREE SISTER GANG in the land of the dirty greaser, MASONIC SORCERY ORIENTED and nodoubt through French Scottish Rite symbolism, perhaps MARILYN"S death in a house of HELENA DRIVE, is connected with certain symbolism, that can be traced to the NAPOLEONIC DYNASTY, by the way of MASONIC SORCERY.

Now both President Kennedy & Senator Robert Kennedy have been said to have speculated in public as to wheather there could be a KENNED CURSE, so it might be interesting to look at a few of the names associated with the"DYKE BRIDGE INCIDENT" and see if there are any- occult associations with the names, for it is damn certain that the assassination of President follows a huge MASONIC SORCERY pattern.

Well now on Chappaquiddick Island there is the Dyke Road, Dyke Bridge & Dyke House and is said house Mrs. Pierre Malam and her daughter Sylvia is said to live. Malam is said to be a word for a soft lime stone and it is said that such stone was used by medicine men (witch doctors). Then of course MALMSEY is a drink that "WITCHES AT AIX" were said to have drank to excite them to venery. At any event AIX EN PROVENCE NUNS are said to have sipped a little malmsey and along with "FAHTER GAUFRIDI" to have committed every imaginable sexual perversion.

Oh Well! Edgartown's chief of police DOMINICK ARENA and deputy sheriff CHRISTOPHER S. LOOK Jr are said to have conducted an inquest or investigation of "THE DYKE BRIDGE INCIDENT".

SAINT DOMINIC might be considered the possible origin of Dominick Arena's first name. Dominic (Domingo) de Guzman was canonized by Gregoy 1X in 1233. He is said to have founded the Order of Dominicans at Toulouse in 1215 and to have 'sparked" THE INQUISITION. The order of Dominicans are said to have collected a great deal of OCCULT INFORMATION, before, during & after the inquisition. Well any way it seems most interesting to me that the DOMINICAN REPUBLIC is named after said order for the Dominican Republic is a black set up that is riddled with sorcery and to there of course can be traced the 'National Grand Orient, which possess the supreme authority and which practices the Ancient and Accepted Scotish Rite".

Of course old Saint Dominic (Domingo) de Guzman would probably be doing nip ups on the pearly gates if he ever heard the story about RICHARD GUZMAN of Sarasota who was one of the "flying Wallendas" and married to Carla Wallenda. Why on July 30, 1972- GUZMAN came in contact with a live wire, while climbing a light pole for a high wire act. It so happens tha the "Flying Wallends" were performing for the OSIRIS SHRINE CIRCUS. Of course OSIRIS was an egyptian god of DEATH. Of course KARL WALLENDA is said to be an "HONORARY MEMBER" of the Osiris Shrine and it was Karl Wallenda who is said to have walked accross "THE AWESOME GORGE" on a "high wire" now the awesome gorge might be symbolically associated with THE BRIG OF DREAD and of course WALLAHALLA is close to the so called AWESOME GORGE. Yep old Saint Dominic would probably shed his wings, put on "white garment, black cloak and pointed cape" and head for a Dominican Occult Library, if he ever saw the symbolism connected with the OSIRIS SHRINE CIRCUS

Well any way, SAINT CHRISTOPHER is the possible origin of deputy sheriff CHRISTOPHER S. LOOK'S name, first name that is, and of course with the name CHRISTOPHER associate with the "BETHERN OF THE BRIDGE" in symbolism, it is down right appropriate with the name CHRISTOPHER to be associated with "THE DYKE BRIDGE INCIDENT".

Now I say that MARILYN MONROE was SEDUCE, "PERVERTED" & TRADUCED and that she was a poor little victim of EVIL PEOPLE. I say that the perversion was not her's but that of people who are perverters as described throughout the history of sorcery. Yes there was a WITCHES TURN AT CHAPPAQUIDDICK but the poor little victim called Marilyn was just another victim, and when you is called a WITCH or there is such an implication connected with her, then I consider it another TRADUCEMENT OF HER MEMORY.

Now the MARILYN "biography" by NORMAN MAILER closes with the following paragraph- "au revoir Marilyn. When you happen on Bobby and Jack, give the wink. And if there! a wish, pay your visit to Mr. Dickens. Fore he, like many another literary man, is bound to adore you, fatherless child".

Well in London there is an "INN" called the GEORGE AND VULTURE and it is mentioned in DICKEN'S PICKWICK PAPERS.

DICKENS is said to have stayed there and a room there is preserved as a memorial and it is a meeting place for the PICKWICK CLUB, as well a meeting place for a group of "DICKENS ENTHUSIASTS".

It was at the GEORGE AND VULTURE "INN" that the FRIARS OF SAINT FRANCIS (The Hell Fire Club) was said to have seen much of it's beginning. It was to there that the "little twelve year old "Saint Agnes" had trudged over two hundred years ago, clutching to her bosom CURLL'S BOOK OF BLACK MAGIC which was to start the club on its incredible career".

Perhaps "PRINCE" RADZIVIL" a formed brother in law of President and Mrs Kennedy, might be willing to furnish some informtion of THE HELL FIRE CLUB a "PRINCE" OF RADZIVIL had a mistress called Miss Chudleigh, and the Chudleigh dollymop performed sex acrobatics as one of the Nuns of Medmenham with The FRIARS OF ST FRANCIS, at least that is the way a story goes.

Who knows, perhaps "PRINCE" RADZIVIL knows about the SECRET SOCIETY that might well be considered the counterpart of THE HELL FIRE CLUB; that exists today, at any event his family & inlaws might have some interesting information along the general line that this letter has followed, which is of course SORCERY & SEX MAGIC which adds story suspension to certain bridge stories,

Now since Knight Templer J. Edgar Hoover and masonry dominated the FBI just as masonry dominated the OSS & CIA, and in fact the leading men in the OSS and the CIA were even "jokingly" called the Knights Templer, the possibility that MASONIC SORCERY has a "strong hold" on the so called "law enforcement agencies", should be weighed carefully when sorcery patterns are found in the assassination of President Kennedy, in the death of Marilyn Monroe and "The Dyke Bridge Incident". Why since it was even said that the FBI had some type of class or other at SAINT LEO COLLEGE and since police, shoiffs, & etc were said to have attended and since some of them were undoubtedly more than familar with THIRD DEGREE STUFF in one way or the other, I am wondering if some of their "personal magnetism" might have rubbed off in that FRATERNITY that has a bridge of its very own.

It is certainly true that COUNT CAGLIOSTRO who was said to have been Joseph Balsamo and who studied at the Seminary of St Roch and at the Convent of Good Brotherhood at Castiglione and who later became a "FREEMASON" in London, England, at Esperance Lodge, No. 289 and subsequently is said to have started a type of masonry that is called the MASONRY OF CAGLIOSTRO or EGYPTIAN MASONRY. It is also true that Egyptian Masonry is part of MASONIC SORCERY. It is also true Cagliostro is said to have written the Maconnerie Egyptienne a book that was said to have been ordered burn by catholic officials and that Cagliostro was sentenced to death but that the pope is said to have commuted that sentence to perpetual imprisonment. Cagliostro is said to have been imprisoned at the prison of ST LEO in the Duchy of Urbino where he is said to have died in 1795. As that may or may not be, one thing is sure and that is SAINT LEO is a significant name in MASONIC SORCERY.
